- Reading comprehension at Grade 11 level or better.

Description

- Pre-calculus 12 meets the requirements set out by the Ministry of Education. It is worth 4 credits towards your graduation plan.
- The course has 8 units. There is no final and no mid-term.
- The **prescribed learning outcomes** as well as other information for this course can be found by visiting the Ministry of Education's website: Pre-calculus 12 IRP

Required Resources

- The lessons are online and in the workbook.
- Lessons use a combination of text, animations, and links to websites to help you understand the concepts.
- The workbook is Pearson: Pre-calculus 12.

Assessment Strategies and Performance Standards

- Your final mark will be based on eight unit tests. Each test is weighted equally. Your final mark is an average of those tests. You must complete all eight tests to receive a final mark. Tests are linked to prescribed learning outcomes.
- The first test can be completed from home, but the other seven tests must be written under supervised conditions in either room #183 (if you are a NWSS student) or the Columbia Square ALC.
